

Product Brochure

INNOVATIVE ULTRA RACK

- Holds hoods, tailgates, doors, fenders, lift gates, and deck lids.
- Single-hand operation, for non-stop, smooth spray finishes.
 - Seven locking potions mimic the parts potions on the vehicle for a seamless match.
 - Ability to rotate 90 degrees ensures proper paint coverage every time.
- Four industrial grade total-lock caster wheels for stability, zero movement.
- Complete system—no accessories needed.
- Durable powder coat withstands heat and rough handling.
- Protective rubber boots keep critical areas overspray-free.

Ability to rotate 90 degrees

- ◆ *Supports hoods, tailgates, doors, fenders, lift gates, and deck lids.*
