## INNOVATION - PARTS CART A

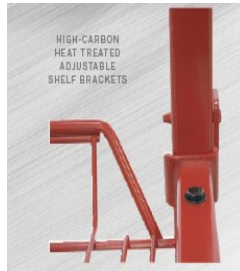

### Parts smart, clutter free

- ⇒ Industry's easiest-nesting cart.
- ⇒ Perfect size for "lighter-hit" jobs.
- ⇒ Makes a great portable workstation.
- ⇒ High-carbon, heat-treated steel shelf brackets for a lifetime of trouble-free use.
- ⇒ Shelves have upper side rails to prevent parts sliding off.
- ⇒ Four industrial grade, total-lock caster wheels for mobility; zero movement when locked.
- ⇒ Durable powder coat finish stays new-looking longer.

*Accessories Available!*

### No other parts carts are this smart!

- ⇒ Industry's highest quality parts cart.
- ⇒ Industry's only high-carbon bracket Indestructible.
- ⇒ Industry's strongest adjustable cart.
- ⇒ Weight-rated to 125 lbs. per shelf.
- ⇒ Carries the Industry's on lifetime warranty.
