

MULTIMATCH 4

Extremely powerful detailing work light

AORIGINAL
SCANGRIP

SINCE 1906

MULTIMATCH 4 is the strongest and most powerful detailing work light on the market at all, providing up to 4000 lumen.

The extremely powerful illumination makes it ideal for inspection of larger surfaces and to illuminate a specific working area in the workshop. The colour recognition properties make MULTIMATCH 4 perfect for colour match.

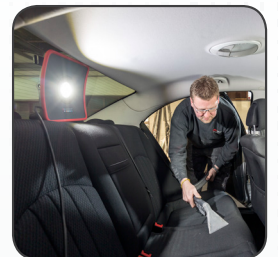

The body is made of diecast aluminium which makes it extremely sturdy and shockproof to endure even heavy strokes and shocks. At the same time it is dust and waterproof, IP67.

The flexible stand makes it possible to position the lamp in the desired angle. The carrier handle is designed for practical cable winding.
