

:: Tec Line Silver

film abrasive 150 mm - 15 hole

CHARACTERISTICS

The **CS Tec Line Silver** is a film based abrasive with 150 mm diameter which is perfectly for machine sanding in the automotive refinishing area.

APPLICATION

The high quality abrasive grain provides a high stock removal rate. Due to its very low roughness the surface is optimally prepared for the next applications after grinding.

The anti-loading system (from P 150) offers a long service life and the Tec Line Silver has no edge shelling due to its strong film backing.

PRODUCT DATA

MATERIAL DATA

Material: High performance plastic film

Binding: Full resin bonding

Grain type: Aluminum oxide

Coating: Open

Colour: Grey

Grits: P 80 – P 800

Diameter: Ø 150 mm

Materials: Paint, nonferrous metal, stainless steel, wood, plastics

Processing: CS Sanding Block Disc Kit 150, excenter sander

.

05/2017

HANDLING

CS Tec Line Silver can be used by hand or machine sander. It is recommended always to use an extraction system when sanding as this will extend the service life of the paper.

Note the instructions on the package!

SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.

Directions for handling and waste disposal are in our Security Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.
