

JOLLIIFT 1330

BENCH COMPLETE

ADDED FLEXIBILITY IN YOUR BODYSHOP!

Looking for a space saving repair bench with all the features of a large bench? With the Jollift 1330 Fast Repair Bench you can now equip each work bay with a quality European manufactured car bench. The flexibility of the modular design means that multiple benches can share one pull post, one set of clamps and one set of wheel stands, which makes it totally affordable for each work bay to have its own repair bench.

FEATURES:

- Fast repair bench
- 6 tonne pull post
- 100mm lowered height
- 1300mm lift height
- 3000kg lift capacity
- Estimating, assembly and disassembly
