## 965 Series Pneumatic Random Orbital Sander

The new series of sanders by Smirdex has been specially designed for professionals. With high quality and precise sanding, the new sanders have a patented low-vibration motor with advanced silence technology. Their ergonomic handle facilitates the adjustment of the dust absorption pipe and the compressed air line.

The weight of the sander, coupled with all its accessories, is one of the lowest on the market, enabling prolonged use, without causing fatigue to the operator. The enclosed backing pad for the 150mm sanders has 53 holes for maximum dust absorption. The package also includes a base application wrench, lubricant, a ¼" quick coupler tip, and a detailed user manual.

### Key Features:

- Performance meets comfort
- Advanced silencing technology
- Very low vibration Level
- Lightweight machine
- Supreme ergonomic, wrist support design
- Double-sealed, lubrication-free air motor
- Multihole Backing Pad for 150mm Velour discs with outstanding grip

### YELLOW HOLDER

CODE:  
965150050

- ø150mm, 5mm Orbit
- Ideal for sanding with P320 up P2000
- Backing Pad 150mm With 53 Holes
- Throttle lever
- High-tech Backing pad design
- Low weight: 0.9 kgs
- 11,000RPM Motor
- Advanced silencing technology
- Patented "anti vibration" motor

### BLUE HOLDER

CODE:  
965150025

- ø150mm, 2.5mm Orbit
- Ideal for sanding with P320 up P2000
- Backing Pad 150mm With 53 Holes
- Throttle lever
- High-tech Backing pad design
- Low weight: 0.9 kgs
- 11,000RPM "anti vibration" Motor
- Advanced silencing technology
