CAM BEAR IR 2 CURING LAMP 2 x 1050W

PRODUCT CODE: CIR2

The high-efficiency infrared paint curing lamp is a professional shortwave infrared curing system designed for fast, consistent and efficient paint drying, making it ideal for automotive refinishing, bodywork and industrial paint applications.

- Two 1050 W shortwave infrared halogen lamps
- 304 stainless steel and die-cast aluminium construction
- Deep, even heat cures paint from the inside out
- Independent lamp controls for flexible operation
- Smart digital timer adjustable from 1–30 minutes
- 180° vertical and 360° horizontal lamp head adjustment
- Adjustable-height stand for precise positioning
- Lockable wheels for easy movement and stability
- Large curing area up to 800 × 800 mm
- Temperature range from 40–100°C
